Curriculum Rationale

At Greenacres Primary Academy, our curriculum is designed to inspire curiosity, to expose children to the breadth of knowledge to which they are entitled, and to maximise their opportunities to learn and achieve.

Daily reading, writing and maths lessons build the essential knowledge and skills that every child needs, while our wider curriculum in science, humanities, the arts, PE, RSHE, RE, computing, and languages (including Spanish in KS2) broadens horizons and helps children to make sense of the world.

Our curriculum opens minds to new experiences, ideas, beliefs and cultures, promoting respect and understanding. We use a carefully planned, knowledge-rich approach where subjects are taught in focused blocks, allowing children to immerse themselves in learning, make meaningful connections and develop a deep and lasting understanding.

Through high-quality teaching, creativity and real-world experiences, we nurture confident, considerate and resilient learners who live our values of Respect, Responsibility and Really Good Manners, and who are well prepared for a happy, healthy and successful future.

Our Curriculum Intent

at Greenacres Primary Academy

We believe in a bright future for every child. Our curriculum is designed to give our children the knowledge, skills and experiences they need to become confident, compassionate and successful individuals, ready for the opportunities and challenges of the 21st century.

Knowledge and Learning

Our curriculum is broad, balanced, creative and knowledge-rich. We use high-quality books, a wide range of experiences and meaningful learning opportunities to help our children make connections, think deeply and achieve their very best.

Experiences Beyond the Classroom

We believe that first-hand experiences bring learning to life. Every class enjoys trips, visits and exciting opportunities each year, from local walks and special visitors to residential experiences. Our much-loved 'Forest Fridays' give children time outdoors to explore, play, work together and care for the world around them.

Be Kind
Be Brave
Be You

Independence and Well-being

We encourage children to take responsibility for their own learning, show initiative, persevere and believe in themselves. We support their well-being through exciting, meaningful learning, positive relationships and a sense of belonging, so they can be happy, healthy and ready for whatever comes next.

Diversity and Inclusion

We celebrate our diverse community and value every child. Our curriculum is designed to be engaging and challenging for all, giving boys and girls from every background the opportunity to succeed and to make a positive difference in our world.

Ready for the Future

Through our curriculum, we aim to nurture well-rounded individuals who understand their place in the community and the wider world. We inspire our children to have high aspirations, care for others and the environment, and to become active, responsible citizens who can make a positive difference.

Our Values

Respect · Responsibility · Really Good Manners

Really Good Manners

Curriculum Implementation

Bringing our curriculum to life at Greenacres Primary Academy

Our curriculum is implemented through high-quality teaching, planned experiences and a consistent, inclusive approach that enables all children to thrive. We turn our curriculum intent into everyday classroom practice so that every pupil builds knowledge, skills and character, ready for the next stage of their learning journey.

Our Values

- Respect
- Responsibility
- Really Good Manners

High-Quality Teaching

Teachers deliver engaging lessons that build strong knowledge, skills and understanding for all learners.

Inclusive for All

We adapt and support learning so every child, including those with additional needs, can access the curriculum and succeed.

Careful Planning

Learning is sequenced and progressive, with clear links across subjects, so children build on what they know.

Enrichment and Experiences

Trips, visitors and real-life opportunities bring learning to life and make it memorable, meaningful and relevant.

Assess, Reflect, Move Forward

We regularly check understanding, provide feedback and use assessment to adapt teaching so that all children make good progress.

Developing Character

We promote independence, resilience and a love of learning, helping children to become confident, kind and responsible members of our school and wider community.

Through consistent and purposeful implementation, we ensure that every child at Greenacres Primary Academy is supported to achieve their full potential and live out our values of Respect, Responsibility and Really Good Manners.

Curriculum Impact

Greenacres Primary Academy

Learning today for a brighter tomorrow

Our curriculum is carefully designed to give every child the knowledge, skills and experiences they need to succeed, both in school and in later life. Through high quality teaching, enrichment opportunities and regular assessment, we measure the impact of our curriculum to make sure it is helping our children to be the very best they can be.

We know our curriculum is having a positive impact when:

- Children make good progress from their starting points.
- Children achieve well in national assessments, including EYFS Good Level of Development, Year 1 Phonics Screening Check, Year 4 Multiplication Tables Check and end of Key Stage 2 outcomes.
- Children can remember and use what they have learned across subjects.
- Children show positive attitudes to learning and demonstrate our values of Respect, Responsibility and Really Good Manners in everything they do.
- Children are confident, curious and well-prepared for the next stage of their education and for life in modern Britain.

Equipping every child with the knowledge, skills and attitudes to make a positive difference.

Our Values

- Respect
- Responsibility
- Really Good Manners

Curriculum

We sequence knowledge and skills across all subjects, building learning progressively year on year.

Assessment

We regularly check what children know and remember, so that learning is secure and everyone can make progress.

At Greenacres Primary Academy we learn, grow and belong

A broad and ambitious curriculum for every child

Great teaching builds bright futures

Every child can succeed

Happy Children • Confident Learners • Brighter Futures

Our Trips and Experiences Plan
Greenacres Primary Academy
Exploring Learning Beyond the Classroom
Respect
Responsibility
Really Good Manners
In addition to our excellent curriculum, we offer additional themed weeks and enrichment days to our students, where we come together to study something in more detail and often in different ways.
This could be through workshops, or visitors to school.

Growing Together, Achieving Together

ENRICHMENT PROGRAMME

RESPECT

RESPONSIBILITY

REALLY GOOD MANNERS

Enriching minds. Building character. Inspiring futures.

AUTUMN A

ART WEEK

We invite an artist to school over a week and work with the children on their skills to create a finished piece.

AUTUMN B

CRAFT FAIR / ART GALLERY

We showcase the children's amazing artwork to parents at our Craft Fair or Art Gallery.

SPRING A

POETRY WEEK

We invite our poet in residence and his illustrator into school. The children write their own poems and create illustrations to create a book that we publish.

SPRING B

SAFETY FIRST WEEK

We invite people into school who work to protect us and speak to the children.

We also have Bikeability where the children learn to safely ride bikes on the roads.

SPRING B

DREAM BIG WEEK

We invite people into school to talk about their jobs with children and they consider the jobs they want when they are older.

SUMMER A

SPORTS WEEK

We have an opening ceremony, exciting sports days and a closing medal ceremony to celebrate everyone's achievements!

SUMMER B

SUSTAINABILITY WEEK

We learn about different environmental factors and how we can look after our planet.

We visit the Recycle Plant in Manchester to see how our recycling is turned into something new!

At Greenacres, we learn, we grow and we shine—together!

GREENACRES PRIMARY ACADEMY

ENRICHMENT DAYS

Learning beyond the classroom. Growing every day.

HAPPY ME DAY

HEALTHY ME DAY

MOVING ME DAY

OUR VALUES

RESPECT

We care for ourselves, each other and our world.

RESPONSIBILITY

We take ownership of our choices and actions.

REALLY GOOD MANNERS

We are polite, thoughtful and kind in all we do.

BE KIND ♥ BE YOUR BEST ♥ BELONG TOGETHER

Learning beyond the classroom. Memories that last a lifetime.

AUTUMN A

- **Year 3:** Skipton Castle

- **Year 6:** Quarry Bank Mill

AUTUMN B

- **Nursery:** Autumn Walk, Pantomime
- **Reception:** Autumn walk, Church visit, Pantomime
- **Year 1:** Pantomime, Portland Basin
- **Year 2:** Pantomime, Rochdale Fire Museum
- **Year 3:** Pantomime
- **Year 4:** Chester, Pantomime

- **Year 5:** Pantomime
- **Year 6:** Pantomime

SPRING A

- **Year 2:** Library
- **Sycamore:** Soft play centre

- **Year 5:** Jodrell Bank

SPRING B

- **Nursery:** Spring walk around school
- **Reception:** Choral speaking competition, Spring walk
- **Year 1:** Library visit, Choral Speaking Competition
- **Year 2:** Choral Speaking Competition
- **Year 3, 4, 5 and 6:** Choral Speaking Competition
- **Sycamore:** Summit up climbing wall

SUMMER A

- **Nursery:** Farm trip
- **Reception:** Zoo trip
- **Year 2:** Mosque visit, Yorkshire Wildlife Park
- **Year 3:** Geography fieldwork on Crompton Moor
- **Year 4:** Geography fieldwork at Dovestones
- **Year 5:** Geography fieldwork at Castleton and Mam Tor
- **Year 6:** Geography fieldwork to wind turbines, Stockport Air Raid Shelters

SUMMER B

- **Nursery:** Chadderton Hall Park
- **Reception:** Seaside trip

- **Year 1:** Fruit-picking at Kenyon Hall Farm
- **Year 2:** Local history walk, Geography Fieldwork in Uppermill
- **Year 3:** RHS Bridgewater

- **Year 4:** Jorvik Viking Centre, Manchester Recycle Centre

ADDITIONAL TRIP: CASTLESHAW

Two classes from each year group will visit Castleshaw to study Fieldwork and Environmental studies.
