YOUTH CONNECT 5 A FREE, FIVE-WEEK COURSE FOR PARENTS AND CARERS

Transitioning from primary to secondary school can be an exciting and anxious time for both children and parents. New surroundings, new teachers, new friends, new challenges, and new opportunities are all on offer as children head off on the first days of their new school.

Identifying ways parents and caregivers can help making transition easier by changing their child's panic into areas of comfort and coping zones; learning that resilience's will strengthen a child's exposure to adversity, threats or sources of stress in their individual journeys.

As parents, we can't always control life's situations, but being able to handle these challenges comes from having strong skills of resilience - we like to think of it as being able to bounce back when life gets tough.

Venue : Lees Library, 9 Thomas Street, Oldham, OL4 5DA
Date : Every Thursday from 24th September 2026 – 22nd October 2026, 9.30am- 11.30am. (5 week programme)

Year 3's visit to a castle

Year 3 had a great trip to Skipton Castle this week, which is one of the best-preserved medieval castles in England. Situated at the top of Skipton High Street in North Yorkshire, it was originally built around 1090 by the Norman baron Robert de Romille following the Norman Conquest.
