Dear parents,
Thanks so much for prioritising attendance
for your child. Our attendance is currently
97.5% for the whole school- let's hope we can keep it
at that all year!
Every single child counts towards that, and every
single day matters.
Thank you for all your efforts with this!

Noticeboard...

We still need a Parent Governor for Greenacres!

We have a vacancy available for a Parent Governor role on our Local Academy Board.

A parent governor plays an important role in supporting and challenging school leaders, helping to set the strategic direction of the school, monitoring performance, and ensuring the best possible outcomes for all pupils. Parent governors bring a valuable parental perspective to discussions while acting in the interests of the whole school community.

If you are interested, please speak to Mrs Thornton to express an interest.

There will be 4 meetings over the year in the evenings and a half-day monitoring visit each year. There will also be an element of online training to complete.
